

TRINITY LUTHERAN
HIGH SCHOOL

1/8/2021

Dear Friends and Donors of Trinity,

After prayerful consideration and with input from the Jackson County Health Department, the Leadership Team and Auction Committee at TLHS has decided to change the date of the 2021 Trinity Lutheran High School Dinner Auction to April 24, 2021. We believe this adjustment, in response to the challenges and limitations due to COVID-19, will provide us with the greatest opportunity to host an in-person event. The passion and energy produced by this opportunity of fellowship and support is second to none, far exceeding all school dinner auctions in this country, and that overall experience is something we desire to successfully continue.

On behalf of TLHS, thank you for the time, talents, and treasures that you sacrifice to support our mission of preparing Christian servants and leaders. May God bless you, your loved ones, and your endeavors throughout all the days ahead.

In Christ,

Clayton W. Darlage
