

Yearbook Callout Meeting

Trinity High School is holding a yearbook callout meeting Thursday, September 2nd during specials! This is a great opportunity to help design the yearbook cover and pages. Take pictures, interview students, and get an excuse to visit tons of athletic events, musical performances and more. Yearbook is a fun experience that will look good on college applications and scholarships as well. Don't miss that call out meeting. You have the chance to write the history of our school through this yearbook!
