

## **Oktoberfest and Trinity**

By: Addison Bumbleburg

Fall has officially arrived, and with that comes the biggest celebration of the season, Oktoberfest! Seymour takes great pride in their Oktoberfest celebration with food, shops, rides, and a spectacular parade. Trinity is honored to be a part of these festivities. Mrs. Schneider has led countless Trinity bands in the parade for forty years! Unfortunately, COVID-19 put a stop to the festivities last year, and Trinity's band was unable to march in the parade. Everyone is eager to get back out and celebrate, so this parade is bound to be the best one yet! The band has been working hard to perfect their marching and represent the school well. However, the band is not the only organization participating in this year's parade. The Trinity Youth Football League, which just started this year, will be featured as well. This is a tremendous opportunity for the young boys to be recognized and get excited to represent Trinity. Sarah Lemming and Addison Bumbleburg will also be featured in the parade for Distinguished Young Women. Certainly, many students will be attending the celebration as well. The streets are sure to be filled with students and their families and friends enjoying Zion Lutheran Church's apple dumplings, the famous sati babis, funnel cakes, and so much more. Trinity will definitely have a good representation on Oktoberfest weekend, and you will not want to miss out on all the fun.
