

Pastor Breakfast
BY: Grace Claycamp

The Student Council hosted a breakfast for Pastor Appreciation Month. This was the first year for the Pastor breakfast. In the past the student council had made cards for the Pastors during Appreciation Month, but this year they decided to “go bigger” and host a breakfast. The breakfast was held on a cougar day, which allowed student council members plenty of time to prepare. With council members arriving at school at 8:30am and the Pastors arriving at 9:00am, there was no rush to prepare the breakfast. Trenton Burton prepared the delicious pancakes. Other council members also helped by serving drinks, bacon, sausage, and cinnamon rolls. The breakfast was successful and many local pastors were able to attend. The Breakfast was a great way for Trinity members to show Pastor appreciation!
