

State Bound

By: Sadie Nay

Trinity's volleyball team has won sectionals, regionals, and now semi-state. At regionals, the volleyball team played two different teams and beat them both, and they walked away as winners. At regionals, the cheer block came up with a fun cheer that said, "We can't see you."

On Friday, we celebrated with our volleyball team during a pep rally, where our cheer team did stunts and our band played songs. Our volleyball seniors (Stella Kleffman, Ruthie Bingham, and Kamzi Gross) also did a few rounds of bump, set, spike. At the end of the pep session, students stormed the floor and hyped up our volleyball team. It was a great way to send our volleyball team off to Semi-State.

Last weekend, our volleyball team went to Semi-State, and they played Bloomfield for the title. Semi-state was hosted in Columbus, so the volleyball team and spectators alike didn't have to go very far to get to the game. The Trinity volleyball team was victorious over Bloomfield. While some parts of the game were difficult, they took the title in a sweeping victory. Now, our volleyball team is looking forward to State, where they hope to bring home the gold.
